THIS IS UNEVALUATED INFORMATION

25X1

Preparations are currently in progress for the transfer of all transformer
production from VEB Sachsenwerk Niedersiedlitz to VEB Transformatorwerk
Berschneweide (TRO) so that VEB TRO will be supplied with sufficient orders.
The transfer will not adversely affect the Dresden area since the Main Admin-
istration for Industrial Requirements is to hire the workers who will lose
their jobs through the transfer of transformer production.
